

# Get ready for CELPIP with our online classes

We invite you to attend six free webinars to learn skills and strategies for each language component of the CELPIP Test.

Learn more about the CELPIP Tests for Permanent Residency and Citizenship with a collection of online classes. The webinars provide an in-depth knowledge of the test, including a focus on specific language components. Learn skills, strategies, and tips to help you reach your goal score! Ask questions, get answers, and complete exercises during these live sessions with a CELPIP Expert. Attendees will also receive free study materials valued at over \$25 CAD.
